***Pope Francis' Prayer Intentions for the Month of February:*** For parishes - We pray that parishes, placing communion at the center, may increasingly become communities of faith, fraternity and welcome towards those most in need.

***Our Lady of Lourdes***

There was a child named Bernadette. I heard her story long ago. She saw the Queen of Heaven once and kept the vision in her soul. No one believed what she had seen. No one believed what she heard, that there were sorrows to be healed and Mercy, Mercy in this world. (Leonard Cohen)

In 1858 the Virgin Mary Immaculate appeared to Bernadette Soubirous near Lourdes in France within the cave of Massabielle. Through this humble girl, Mary called sinners to conversion and enkindled within the Church a great zeal for prayer and charity, especially service to the sick and poor. (From the common of the Blessed Virgin Mary, Liturgy of the Hours).

Pope Francis' Message for the 31st World Day of the Sick (11 February 2023). "All of us are invited to reflect on the fact that it is especially through the experience of vulnerability and illness that we can learn to walk together according to the style of God, which is closeness, compassion, and tenderness."

The World Day of the Sick is an occasion to pray for individuals who are suffering, and to find concrete ways to draw nearer to them.

Special Mass  
Resurrection of Our Lord Parish  
Feast of Our Lady of Lourdes  
Anointing of the Sick  
Saturday, February 11<sup>th</sup>, 2023  
9:00 a.m.

On the feast of the Annunciation of the Virgin Mary (March 25<sup>th</sup>), the Lady at last proclaimed her identity. Speaking to Bernadette in the local Lourdes patois, she said '**I am the Immaculate Conception**'. The doctrine of the Immaculate Conception had been proclaimed only a few years before, in 1854 (which Bernadette could not have possibly known anything about).

Please bring someone who cannot make it to the Saturday, February 11<sup>th</sup> Mass, at 9:00 a.m., or come on your own if you are able.

Because family matters!
