**Parish Sacramental Preparation Program
First Communion & Confirmation**

Within the commitment for participating in this program is included its focus on preparing the souls of everyone in your family (parents and children), giving an opportunity to renew your faith and reunite yourself with God in your entire life. It is a program not only for children, but about the faith life of young families.

There will be details provided to the young families of our parish, at the beginning of September, about the upcoming parish program to prepare the children for the Sacraments of First Reconciliation and First Communion, and for the Sacrament of Confirmation. An outline of last year's schedule is on our website and it gives an idea of the commitment needed to complete the program.

•ANNOINTING OF THE SICK•

MASS

**Saturday, September 16th
(9:00 a.m.)**

What is the Anointing of the Sick: The question has been asked of me as to what the Anointing of the Sick is. It is reasonable that having been invited to a Mass with the Anointing of the Sick to be conferred, there is a genuine interest in wanting to know what the meaning of it is. It's a good question. St. Augustine said: "Education is the food of youth, the delight of old age, the ornament of prosperity, the refuge and comfort of adversity, and the provocation to grace in the soul."

Through the Anointing of the Sick (previously known as extreme unction), the Church commends the faithful who are sick to the suffering and glorified Lord, for relief and salvation. The Anointing of the Sick is not only a sacrament for those who are at the point of death, but it is also for those who begin to be in danger of death from sickness or old age. Moreover, this sacrament serves as the spiritual strengthening of the sick person during the time of illness when dying. The Anointing of the Sick has great significance for those struggling with mental illnesses, fears, and traumas – it strengthens mental health as well.

The anointing is carefully performed, conferred, by a Priest. The Priest first anoints (puts oil) on the forehead of the sick person (this means it is necessary that your forehead be visible when coming forward for the sacrament), and then the Priest anoints (puts oil) on the hands of the sick person (hold your hands in front of you near your heart, with your palms facing upwards and your hands wide opened to receive the sacred oil).

Only a priest validly administers the Anointing of the Sick, since the sacrament is theologically considered to be the complement of the Sacrament of Penance. It belongs to the Pastor to decide who can receive the Anointing of the Sick.

Welcome to all. It will be good to see those who are able to attend. Yet, whether you are able to or not, you will be remembered. There is no need to sign up, simply arrive as you can.

I am looking forward to seeing you at this Mass and encourage you to attend. If at all possible, please arrange for someone who can bring you to the Mass. Peace, Fr. Robert.

Because family matters!
