Memorial Mass of the Guardian Angels 8:00 AM Friday the 2nd of October

From its beginning until death, human life is surrounded by the watchful care and intercession of angels. "Beside each believer stands an angel as protector and shepherd leading him to life." Already here on earth the Christian life shares by faith in the blessed company of angels and men united in God. (CCC 336).

Christ is the center of the angelic world. They are his angels: "When the Son of man comes in his glory, and all the angels with him..." They belong to him because they were created through and for him: "for in him all things were created in heaven and on earth, visible and invisible, whether thrones or dominions or principalities or authorities - all things were created through him and for him." They belong to him still more because he has made them messengers of his saving plan: "Are they not all ministering spirits sent forth to serve, for the sake of those who are to obtain salvation?" (CCC 331).

Prayer to my Guardian Angel

*O Angel of God, my Guardian dear to Whom God Loves
be with me here
Ever this night, be at my side to Light and Guard
to Rule and Guide. Amen*

St. Thérèse of the Child Jesus, Virgin and Doctor of the Church. October 1 – Patroness of Missions

St. Thérèse took for her motto the well-known words of the great Carmelite mystic St. John of the Cross: "Love is repaid by love alone." With these thoughts ever present in her mind, her heart found courage to endure hours and days of bitterness that few Saints have been privileged to undergo. She understood deeply the meaning of those mysterious words of St. Paul: "Far be it from me to glory save in the Cross of my Lord Jesus Christ, by which I am crucified to the world and the world is crucified to me. I fill up those things that are wanting in the sufferings of Christ for His members" (Gal 6:14).

Love of God as a Father, expressed in childlike simplicity and trust, and a deep understanding of the mystery of the Cross were the basic principles of the Saint's "little way."

St. Thérèse learned the meaning of this said by St. Augustine, that we were all begotten with Jesus in the womb of Mary as our Mother.

The very last poem St. Theresa wrote, entitled, *Why I Love You, Mary*, was written almost when the agony of death was upon her.

In it she sings:

O you who came to smile on me
at the dawn of life's beginning
come once again to smile on me... Mother!
The night is nigh.
I fear no more your majesty,
so far removed above me,
for I have suffered much with you;
now hear me, Mother mild!
Oh, let me tell you, face to face,
dear Mary, how I love you;
and say to you forevermore:
I am your little child.
